Proje Toplantılarımız

Projemizin Ortak Ürünü

Lucian Blaga, our Romanian writer
Enigmas whispered secrets he refused to prove
Gazi Mustafa Kemal Atatürk, our eternal leader
Ended the darkest period of Turkish people,
Nikos Kazantzakis, the restless spirit of Greece
Dominikos Theotokopoulos, who painted heaven in
bold strokes
Aşık Veysel, Türkiye's great blind saz poet,
Remembered with endless human love,
Years go by, yet still they light our way and rise
above.

Feasting hearts with laughter, Kemal Sunal's gift
remains,
Inspired, Safiye Ali became the first female doctor
with unwavering determination.
Graceful Dilek Hanif designs fashion that
transcends time.
Under their names, great empires of civilizations
were born,
Rising through ages, their legacies worn.
Every time when you feel proud of all legends,
See their traces in our heart and mind.
